American Artists in Europe
and
Special Exhibition:
Sargent: Portraits of Artists and Friends
Two Exciting Art Tours in One Day
Metropolitan Museum of Art

Meet us at 11:00 am as Sheryl Intrator Urman, artist and art lecturer, takes us back in time as our **docent for two-part tour**. The background talk/tour will introduce us to the artwork produced by many Americans like Sargent who were drawn to the fashionable Art Scene in Europe in the 1850's – far from the provincial USA. We will see the Impressionists like Mary Cassat, William Merrit Chase and Childe Hassam....and more. Art does not exist in a vacuum – The Complete Picture of the life and times of the era increases our understanding and appreciation.

We will have a quick lunch in the cafeteria downstairs – on your own to choose from the extensive offerings of all kinds - but sitting together.

Then Sheryl will lead us thru the main exhibit of **Sargent: Portraits of Artists and Friends** to 'meet' the painters and friends of our morning exploration. Sheryl will guide us to a few of the most important works and an audio guide will give important information on the rest.

COMPLETE PICTURE: \$55.00

INCLUDES: Museum admission, tours and audio-guide. (Met group policy requires admission must to be paid by everyone)
