Meet me at the Montclair Museum: at 11:00. when **Sheryl Intrator Urman**, artist and art lecturer, will present a lecture about Henri Matisse. She will discuss the life and times of Matisse and French master's profound impact upon the development of American modern art from 1907 to the present. His art has provided a liberating model for American artists' varied explorations of vibrant color, strong, fluid lines, and clear compositional structures in their pursuits of self-expression.
