**Metropolitan Museum of Art**

**Thursday, August 3rd, 2017**

We will travel to the Metropolitan Museum, and I will be your private docent. The painting above may be 'old/familiar' to us, I will introduce you to Academic Art and sort of take you back in time to when it was all just beginning to become 'Modern', in my private tour as we view the Met's massive collection in a new light and learn the development of Modern Art.

***What is modern art? How did it start? Why did it start? Is it complicated?*** I will try to answer these questions as you are introduced to the evolution of Modern art. We will explore the outside factors like the industrial revolution, discoveries in science and the changing cultures. We will focus on Modern Art from its beginning in the 1880s to the early 20th century including Picasso, Matisse and Mondrian.

Brown bag your lunch, we will picnic in Central Park. After **lunch**, I have selected a very special place to create your own modern art project, all supplies are included.

**Total Experience: 9:30 to approximately 4:30.**

**Art Lecture and workshop: \$100.00, per person.**
