Modern Art to the Newest Contemporary

Museum of Modern Art

Friday, August 4th, 2017

We will travel to the Museum of Modern Art, and I will be your private docent. We will weave our way through the permanent collection MOMA. We will notice not only the way art evolved and continues but talk about some of the iconic artists from early 20th Century, and stop at one of the most loved and famous paintings “Stary Night” among others. We will trace the development of Modern Art. And try to continue to answer these questions: ***What is modern art? How did it start? Why did it start? Is it complicated?*** We will explore the outside factors like the industrial revolution, discoveries in science and the changing cultures. We will focus on Modern Art from the early 20th century including Van Gough, Picasso, Matisse, Mondrian, and Warhol.

Brown bag your lunch, we walk to an area in the business district where we can enjoy our lunch, talk and purchase some deserts.

After lunch, we will once again enter MOMA, to view and discuss MOMA’s most contemporary and latest exhibitions.

Total Experience: \$100.00, meet at 9:30 to approximately 4:30.

INCLUDES: Museum admission, two (2) private docent tours.
